Corrección en el artículo de Malo et al. «Persistencia con estatinas en prevención primaria de enfermedad cardiovascular: resultados en una cohorte de trabajadores españoles», Rev Esp Cardiol. 2018;71:26-32

In the article by Malo et al. “Persistence With Statins in Primary Prevention of Cardiovascular Disease: Findings From a Cohort of Spanish Workers”, the authors reported an error in the “Funding” section of the article. The correct information is as follows:

FUNDING

The AWHS is funded by a contract signed in 2009 between the Government of Aragón (Aragon Institute of Health Sciences [IACS]) and the Health Research Fund of the Spanish Ministry of Health (National Center for Cardiovascular Research [CNIC]). This study was externally funded by a Project of the Health Research Fund, Instituto de Salud Carlos III, and the European Regional Development fund (FEDER) (PI13/01668).
