Corrección en el artículo «Actualidades en cardiología preventiva y rehabilitación», Rev Esp Cardiol. 2012;65(Supl 1):59-64 y en el sumario del Extraordinario Temas de Actualidad en Cardiología 2011

In the article by Fernández de Bobadilla et al. entitled “Update on Preventive Cardiology and Rehabilitation”, published in Rev Esp Cardiol. 2012;65(Supl 1):59-64, the name of the first author appears erroneously as Esteban Fernández de Bobadilla, when it should read Jaime Fernández de Bobadilla Osorio.

The same error also appears in the tables of contents in Spanish and English of the Special Issue, Current Topics in Cardiology 2011, in which said article was printed.

This correction, properly documented, has been made in the electronic version of the article and of the tables of contents on 19-02-2012.
